My husband and I were driving in our car one early evening, discussing a problem that seemed overwhelming. As I was speaking, I began to sing this song, composing it as I went along. The melody came to me right away and so did the words, without any hesitations or corrections. It was a victory song from the Holy Spirit, to cheer us and encourage us in the face of discouragement and difficulty.

He Is All That I Need

He is all that I need
All that I need
Jesus is all that I need
He is all that I need
All that I need
Jesus is all that I need

He is Counselor
Prince of Peace
Bright and Morning Star
He is King of Kings
Lord of Lords
Everlasting Father

I will praise Him
Praise Him
Praise the King of Kings
I will praise Him
Praise Him
Praise the King of Kings

Come Lord Jesus!
Lord Jesus!
Maranatha!
Come Lord Jesus!
Lord Jesus!
Maranatha!
