*My favorite part of this song is, "He knows what is within the darkness, and all the light there is dwells with Him." When I sing that, my spirit soars with the Truth and I feel that I am touching on something infinitely sacred and beyond comprehension. This song was written during a time of great stress. It is a "walking around Jericho" song, sung to God before the walls came crashing down and victory was manifested.*

### **Let The Name Of God Be Blessed**

Let the name of God be blessed forever and ever  
For wisdom and power belong to Him, to Him  
For He is the One who establishes kings and removes them  
For He is the One who changes the times and the seasons

The Lord gives wisdom to the wise  
And knowledge to men who understand  
He reveals all that is profound  
The deep and the secret things

He knows what is within the darkness  
And all the light there is dwells with Him  
To You, oh God, of my fathers, I give thanks and praise  
For you have given me wisdom and power, I will bless Your name

There is a God in heaven  
Who reveals mysteries  
Let the name of our God be blessed  
Forever and ever
