There are numerous times in every believer's life when the circumstances, stresses and fears of life become overwhelming. Without knowing the truth that we are dead to fear, and no longer have a sinful nature, we will succumb to those fears and be overcome by them, making it impossible to experience "the peace that passes all understanding" that Jesus enabled us to have when He died on the cross. I often sing this song during those difficult times, and the Lord carries me on the wings of faith.

Be Anxious for Nothing

Be anxious for nothing
But by prayer and supplication
Make your requests known unto God
And the peace that passes all
All understanding
Shall guard your hearts and minds
In Christ Jesus
